He ordered him out when Nicholson applied an fugly epithet to him; that he (Vogelgesang) turned and asked him what he said, when Nicholson advanced on him, using his knife; also that he knocked Cary Davis down while the latter was attempted to show that the cutting was the result of a fight in which Vogelgesang had struck the first blow, one the witnesses having testified that the two men were striking at each other. the two men were striking at each other when his attention was called to the disturbance. It was also shown that disturbance. It was also shown that the proprietor of the bakery had told Nicholson to go to the bakery and see Vogelgesang in order to be reinstated in the position from which he had been discharged. The Mayor finally summed up the case into two offenses—trespass and assault on the part of New Market, Va., March 16. I am glad to know that the 1903 pennies has been fully exposed but I am very sorry I did not get my pennies on the market in time. I secured my pennies up this way by giving "penny for penny," as the people did not know that there was such a light for the latter of the l

A Three Days' Concert.

While on their tour through the New England States, in the winter of 1901, the Students' Concert Company of the Ithaca Conservatory of Music was caught in the fierce blizzard which raged for days throughout the northeastern part of New York State. The train on which they, with several other passengers, were endeavoring to reset Burlington, Vermont, was caught and held by the snow several miles from any town or city and it was three days before a rescuing party could reach them and shovel out the train. It is said that the students were, during these long hours, the life of the imprisoned party and their "train recitals" to the accompaniment of the blizzard were given before as appreciative an audience as it was ever their pleasure to appear. However, it was a tired party of students that rolled into Burlington on the evening of the third day barely in time for the concert. The Burlington press, however, proclaimed that this was one of the best concerts ever given in that city. It is one of these students' concert companies that will appear at the Opera House on next Tuesday evening, the 24th instant, for the benefit of the library building fund of the Baptist Church Sunday school.
